Amidst the COVID-19 worldwide emergency, on March 15, our sister foundation FUSAL was activated as a collection center to support people in the different quarantine centers throughout El Salvador and other vulnerable populations affected by the pandemic.

FUSAL has been the vehicle to channel the generosity of 9 collection centers, 20 companies, national and international foundations and generous individual donors. All of them have trusted the foundation to distribute vital supplies and support the country’s efforts towards this emergency.

Through the emergency, our Humanitaria Aid Program has collected and distributed:

**Basic supplies**

- 4,531 personal hygiene kits
- 59,664 food baskets
- 9,603 clothing kits
- 1,098 tubes of adult diaper cream
- 47 cleaning kits for quarantine centers
- 293 diaper and incontinence pads for the elderly
- 932 book kits for adults and children
- 2,995 personal kits for quarantine centers with essential items such as towels and sheets
FUSAL continues distributing donations of medical supplies and medicines to national hospitals, health clinics and health units thanks to many of SAHF's In-Kind partners in the United States.

- 247,164 gloves
- 56,130 masks
- 340 liquid soap
- 100 gallons of gel alcohol
- 2,425 shoe protectors
- 2,330 disposable robes
- 2,300 disposable hair covers
- 500 protective glasses
- 875 full protective suits for health workers
- 77 isothermical cases to transport COVID-19 samples
- 6 sanitation pumps
- 28 gallons of glutaraldehyde (medical equipment disinfectant)

24,120 PEOPLE IMPACTED

$5,316,048 IN MEDICAL SUPPLIES FOR NATIONAL HOSPITALS AND HEALTH CLINICS

$10,253,092 IN MEDICINES

Support to communities that are part of our Early Childhood Program

- 66,960 fortified potato meals
- 1,267,704 fortified rice meals
- 174,000 fortified drinks
- 7,904 families impacted

Additional food for 50 families at nutritional risk from the municipality of Teotepeque in the communities of Ceiba, Acachapa and Chiquileca.

The delivery of food, medicine, hygiene and cleaning supplies during this first stage of response was possible thanks to many committed organizations, companies and Salvadorans.
